

Where did I come from?

Bible Study

This is the second in our series of Human Issues – Identity.
In our first lesson we looked at “Who am I?”

In this lesson we will address, “Where did I come from?”

If my existence is solely dependent on the desire and decision (or lack of it) of my Dad and Mom, or human idea and will then the here and now is really all that matters. I am bound to human decision and will. There is nothing beyond that, no determined purpose for me and no direction.

If I am all those things we talked about in the previous session, then that changes everything for me.

God created me – THAT is where I came from!

Colossians 1:16 – in Him all things were created, heaven, earth, visible, invisible, thrones, powers, rulers, authorities. All things were created by him and for him.

Revelation 4:11 – “and for His pleasure we are and were created...”

Psalms 139:13-16 – “You created my innermost being, you knit me together in my mother’s womb. For I am fearfully and wonderfully made, my frame was not hidden from you when I was made. Your eyes saw my unformed body, and all the days ordained for me were written in your book before they came to be.”

God created me. He created me for his pleasure. He wanted to enjoy me, talk with me, share with me, assist me, empower me, be a part of my life. He wanted to share life with me.

Inside the womb that carried me, he precisely knit me together, forming me in all of my intricacies, according to his plan and purpose. Designing me for his pleasure and enjoyment. Choosing me to share himself with.

Before I was even conceived, he saw me and called me to be his with a specific plan and purpose for my life.

From conception through all of my fetal development, He was there, designing, knitting and forming me. He saw it all and marked out each and every day that I would live. He wrote them all down in his book, before I was even born.

Jeremiah 1:5 – before I formed you, I knew you, before you were born, I set you apart.

He had a plan for you before you were even born and as he formed you in the womb, he set in motion that plan and purpose for your life.

Who better to be able to provide everything that you need than your creator?

Doesn't the designer of an item know what is best for it? How it works. It's intended purpose. How much more then, does God as your designer, know how to satisfy and fulfill you.

He is your creator. Your designer. He can be trusted, because he knows you thoroughly.

He wired you and knows what he is doing with you. His plan is good, loving and perfect. Cuz, he knows why he made you and what you are suited for. He knows how to make you happy, fulfilled and at peace in this world.

Where did you come from? GOD CREATED YOU!

Oh what a life changing truth!
